

2023 Goat Project

Dear Potential Buyer;

My name is Emilio Gutierrez, I am 11 years old and this is my first year in Green Acres 4-H we are located out of Elverta, Ca. My project for 2023 Sacramento County Fair/Junior Livestock Auction JLA. is Market Goat. My market goat's name is Buckle and we project him to weight in at fair at 85 lbs. Our family has been raising goats for 3 years now. This may be my first year in 4-H but I have learned a lot watching my older brothers raise their goats for Sacramento County Fair. I've learned a lot in the short time I have been in the goat project. I have learned showmanship skills, marketing amongst other skills like breeding, disease management, and how to properly feed care for a Boer goat.

Sacramento County Fair is holding their annual Junior Livestock Auction JLA on May 28, 2023 at Cal Expo Livestock Pavilion. The livestock auction is scheduled to start at 10 am. All bidders are invited to breakfast on the day of the auction from 7:30 – 9:30 am. To learn more about the bidding process and to get a bidder number visit www.saccounty.net
