

March 2023

Dear Friend and Supporter of the Sacramento County Fair,

My name is Jack Carson, I am from the Green Acres 4-H club and serve as the club's historian. This year for the Sacramento County Fair I am raising a market lamb. This will be my third year raising a market lamb. I have been showing at the Sacramento County Fair since I was 5 and I am 11 now. I started by showing Nigerian Dwarf goats as a primary member. I show and participate in the 4-H horse project. My lamb this year's name is Thor. Last year's lamb's name was Jimmy. I have always purchased my lambs at Mitchell Farms which is in Sacramento county. We hope to start breeding and raising our market lambs fairly soon, we already have 2 breeding ewes and one ewe lamb that was just born last year. I have always wanted to raise lambs and I am so glad that Green Acres 4-H has finally helped me achieve that dream. My grandmother grew up on a sheep ranch and I have always loved the idea of having that life experience of taking care of something other than myself. I know that my generations' kids barely know how to care for themselves so I think animals are teaching us fundamental life lessons. I have to get up early in the morning to feed the animals before I eat to help me learn more responsibilities.

I also belong to Sacramento Barnyard Bidders, which is a youth organization that we invest in and they invest back into your projects. If you would like to make a donation to barnyard Bidfers you can visit our website

Thank you for taking the time to read this and I urge you to consider buying or doing an add on for my market lamb this year. If you are interested in this please go to [www.Sacfair.com](http://www.Sacfair.com) for more buyer information.

Sincerely,

Jak Carson  
Green Acres 4-H
