

Dear Potential Buyer,

My name is Makayla Gwerder. I am 13 years old and in the 7th grade at Woodland Christian School. I am also a very dedicated member of a competitive cheer team and spend much of my free time at our gym practicing for competitions. This is my second year participating in 4-H and I am a member of the Green Acres 4-H club. This year, I am currently raising two market hogs, "Nova" and "Lizzo" which I am planning to show at the 2023 Sacramento County Fair. Although I have grown up on a farm, raising goats, cows and horses, this is still a fairly new experience with pigs, and I have a lot to learn. I have spent a lot of time caring for and working with my hogs and have learned so much about them in the process. I am working very hard to get my hogs market ready.

The 2023 Sacramento County fair will be May 25 - 29. I would like to invite you to the Sacramento County Fair Junior Livestock Auction on Sunday May 28, 2023 at 10:00 am. I will be selling one of my market hogs at this auction.

There are 4 ways for you to help support.

1. Come to the auction on May 28th at the Sacramento county Fair and be a buyer ! arrive early and enjoy the Buyers Breakfast!
2. Buy ahead of time using the Proxy Purchase form or online at www.sacfair.com
3. Attach an add-on bid starting at \$50. This donation is added directly to the sale of my animal - this can be done at the fair or on the proxy form which can be mailed.
4. Donate to Sacramento Barnyard bidders, a non-profit that helps community members support youth participating in the Junior Livestock Auction. This is a great way to support many youth and you can donate any amount.

Please visit the Sacramento barnyard bidders at www.barnyardbidders.com where you can donate online and watch videos of all the youth investors with their market animals.

Find me in the swine barn during the fair. I would be happy to meet you and answer any questions you may have.

Sincerely,
Makayla Gwerder.
