Dear 4-H supporter,

My name is Nolan Ferrell. I am a member of the Green Acres 4-H club and this is my fourth year in 4-H. I would like to invite you to the Sacramento County Fair Junior Livestock Auction.

My goat this year is from Jackson Sawyer in Lodi, CA. I have spent many hours feeding, watering, walking, training and grooming my goat. I have been preparing Pyrite for a show and sale at the Sacramento County Fair.

There are many ways to support my project. Go to sacfair.com and register as a bidder. Once you do, you can bid online for my goat or bid live at the fair. You can also donate an "add on" to me personally.

I would like to invite you to the fair. I will be showing my market goat, Pyrite, in his conformation class and in showmanship on Thursday May 25th beginning at 9 am. The auction is scheduled for Sunday, May 28th, at 10:00 AM when I, Nolan Ferrell, will be selling my market goat, Pyrite. You are also invited to the "Buyer's Breakfast" which begins at 7:30 AM. I hope to see you at the fair!

Sincerely,

Nolan Ferrell
