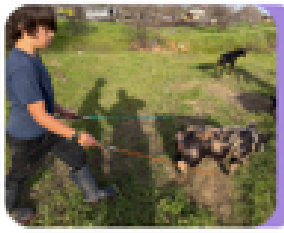
PHILLIP BUXMANN

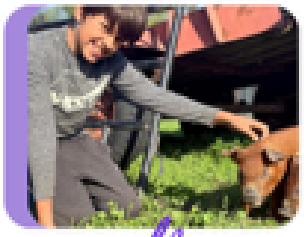
Hello, I am Phillip Buxmann, I am 10 years old. This is my second year in the swine project and fourth year in the Green Acres 4H Club. I am raising two pigs one is a duroc, that I breed myself, named Lizago and the other is a dark cross named Bokoblin.

I have been working with my pigs daily before and after school; feeding, exercising, watering and grooming them. My pigs and I will be at the Sacramento County Fair from May 21-25 and I would like to invite you to see us at the fair and bid on my pig at the auction. If there are any questions you have for me, you can call or e-mail my mother at 916-502-2139/ jennibux85@gmail.com.

I hope you will be able to come to the fair to see all the junior exhibitors.

I would like to thank you for taking the time to read this letter as I know that your time is valuable. If you have any questions about the Junior Livestock Auction or how to become a buyer, please contact the fairgrounds at 916.263.2975 or visit their website at https://sacfair.com. Again, thank you for your support and we hope to see you at the Fair!





thank you

Ways you can support me

Purchase my animal

My Pig will be sold at the Sacramento County Junior Livestock Auction on Sunday, May 26, 2025. The auction starts at 10am. A complimentary breakfast and lunch will be served for all registered buyers. For up to date information, please visit www.sacfair.com

Add-on to my project

Add-ons are "extra bids" on an animal after the bidding is over. They are a good way to support a specific youth if you are unable to purchase an animal. Add-ons are a flat fee, large or small processed at the junior livestock auction..

Donate to Sacramento Barnyard Bidders

Make a tax deductible donation in my name to Sacramento Barnyard Bidders (SBB). SBB nonprofit has provided a means for the community to support youth participating in our local Junior Livestock Auction.
