Dear Buyer, My name is Rowan Lagow. I am 13years old and a 7th grade at Regency Park Elementary School. I am a member Green Acres 4-H. I am writing to invite you to the 2026 Sacramento Country Fair and Junior Livestock Sale. This will be my 5th year participating in this auction. This is my second year showing swine. I will be selling a market hog with Green Acres 4-H. I am also an investor in Sacramento Barnyard Bidders. I have a duroc and a hampshire. Hampshire is a barrow which is a castrated male. His name is Tank . My duroc is named Mary Poppins. They are being fed 16 % protien hog feed. I have been showing for 4years, this being my 4th year, I have shown rabbits, goats, lambs, and hogs. I feel I have learned a lot this year because I am doing sports and balancing school. I am hoping to place in showmanship this year and I have worked hard with my hog. I work with him after school, before and after practice, and on weekends. I have put in countless hours into my market projects. I take pride in raising my animal to be a wholesome food product for a local community member and work hard everyday in managing my project. I plan on using the money to go to college and for my ongoing market projects. The Sacramento County Fair will be May —--The livestock auction will be on Sunday the ____, starting at 10:00am.

This is my 4th year in Sacramento Barnyard Bidders. A local Non Profit that helps exhibitors, like me, to make a profit from their market projects in 4H. For mor information check out the website: WWW.barnyyardbidders.com
